REPORT OF BRADFORD FIRE DEPARTMENT

1935

For the year ending Jan. 31, 1936, the town of Bradford has lost by fire, the Hayward Place Oct. 6, 1935. We have assisted the Town of Sutton.

Several local chimney fires without damage make the year rather a fine record for the town. Again we thank the Selectmen and Townspeople for their cooperation.

Respectfully submitted,

N. ELLSWORTH BROWN,

Clerk.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board of Bradford District:-

It gives me much pleasure to submit herewith my tenth annual report of the work of the schools of the district. During the year 1934-35 the following teachers were employed:-

*Mrs. Helen Nye substituted at the Center school during the absence of Miss Williams in February.

From the above table the following may be noted:

2. There was a better percent of attendance but it is still too low.

ROLL OF PERFECT ATTENDANCE

For Full Year:

Wayne O. Davis

For 3 Nine-Week Periods:

Frances Barstow	Lois Ayer
Clara Heselton	Allene Simpson
Harry Heselton	Charlotte Stafford
Florence E. Ayer	Wesley Wells

For 2 Nine-Week Periods:

Robert Woodman	Clayton Stafford
Maebra Hadley	Margaret Colby
Stuart E. Milner	Lena Gaudreau
Enid M. Cilley	Lana Harrack
Alice M. Cilley	Pauline Gage
Donald A. Dwinnells	Ellidh Stoddart

The results of the annual medical inspection showed that nine pupils with defective vision were reported of whom three had defects corrected. Fifteen pupils had defective teeth and 4 had defects corrected. Of three having diseased tonsils two had defects corrected.

At the March meeting a sum of money was raised to employ a school nurse during the year 1935-36. This is an important step in the right direction, and we are confident that the results of the work this year will amply justify the expenditure of the small sum involved. A partial report of the school nurse,

Mrs. Reuben S. Moore, R. N., shows that already many pupils have received the benefit of her work. A full report will be available at the end of the year.

Another improvement in the schools for 1935-36 is the introduction of regular instruction in music, by a special teacher, Mrs. C. B. Chase, a graduate of the New England Conservatory of Music. Mrs. Chase has had several years of successful experience in teaching public school music in Massachusetts.

During the winter of 1934-35 the district cooperated in furnishing use of the Grammar School room for classes in adult education under the provision of the F.E.R.A. Three different teachers were employed in part by the district and classes in Cooking, Art Appreciation, Furniture Repairing, First Aid, and Basketball were conducted.

The most pressing need of the district continues to be a new school building for the Village School.

We desire to thank the board, parents, and teachers for their cooperation and support during the year. It is only by working together that we shall be able to advance the interests of education, and place the affairs of the district in a satisfactory condition for future advancement.

Respectfully submitted,

JOHN A. SINCLAIR,

Superintendent of Schools.
